

3. Immediately after the sale, each purchaser will be furnished with a memo showing the total amount due by him and with a chellan to pay immediately twenty-five per cent of such amount as a deposit into the Taluk Treasury at the place; a receipt for the deposit money will be granted by the Treasury Officer and must be presented to the Forest Officer at once. Should any purchaser fail to comply with this rule, the Forest Officer shall be at liberty to resell all or any portion of the timber purchased by such defaulter, who shall be required to make good any loss, but shall not participate in any profit on any such resale. The amount due by such defaulter shall be recovered from him as a revenue demand.

*Note.*—For the convenience of the purchasers the quarter deposit or the whole of the sale amount will be received and acknowledged by the officer conducting the sale, if tendered on the spot at the time of sale.

4. The whole quantity purchased by each purchaser must be paid for within 20th June 1916, failing which the earnest and deposit moneys already paid in shall be forfeited to Government and the timber not paid for shall be resold. Moneys due may be paid into the treasury of the taluk in which the depot is situated or into the District Treasury, but into no other except in cases where the purchasers are permitted to pay into any other Government Treasury in accordance with the chellans issued to them.

5. No timber shall be delivered to any purchaser until it has been paid for in full.

6. No timber can be removed from the depot till a permit to remove timber signed by the Forest Officer in charge of the depot shall have been obtained.

7. Timber paid for may be removed at any time within thirty days from the date of sale or within such further period not exceeding ninety days from the date of sale as may be paid by the Forest Officer as the circumstances of each case may require, without payment of rent; but if left in the depot longer than ninety days from date of sale, such timber will remain at the risk of the purchaser, and further shall be charged with depot rent at Rs. 6-4-0 per cent, per annum, on the sale amount from the date of sale. If the timber be not removed within six months from the date of sale, the same shall, after ten days' notice to the purchaser, be sold by public auction for the recovery of rent and costs, etc.

L. P. MASCARENHAS,  
*Sub-Division Forest Officer.*

#### BANGALORE CITY MUNICIPALITY.

*Notice dated 7th January 1916.*

Scaled tenders will be received by the President, Bangalore City Municipal Council, up to the 1st February 1916 for filling up the moat (pit), on the west of the western Fort wall, measuring 300' x 95' and requiring approximately 4,000 c.yds. of earth within the limits of demarcation stones, up to the level defined by tops of Bench-mark stones on the spot.

(2) Each tender must be accompanied by an earnest money of Rs. 50 in cash or currency notes which will be returned in case the tender is not accepted.

(3) Each tenderer must state the amount for which he will fill up the moat with earth, as aforesaid under each head below:—

(a) If he is also allowed the sole right of removing the remaining stones and earth from the sections of the Fort wall, Nos. 1 to 24 and 31 to 42 for one year from the date of filling up the moat (pit).

(b) Without such right, but allowed to take earth only and that only for filling up the moat.

(4) The President will assign no reasons for accepting or rejecting any tender and no information on this score shall be given in the Municipal Office.

(5) The plans showing the sections of the moat and formation level can be seen in the Municipal Engineer's Office during office hours.

(6) The successful tenderer who will be intimated by the Municipal Engineer will be required to execute a muchalika, at his cost on an eight anna stamped paper, within one week of the date of approval of the tender agreeing to the undermentioned conditions and depositing the earnest money of Rs. 50 as security for the due fulfilment of the contract.

#### *Conditions.*

(1) The moat (pit) will be filled up within six months from the date of approval of the tender.

(2) The 'filling' should be 12" higher than the level fixed on the spot to make allowance for settlement and the surface rendered even as the Municipal Engineer may direct.

(3) Earth should be removed from the Sections 1-24, 31 to 42 only.

(4) No pits or hollows should be left where earth is removed from, but each 'tak' should be left level and even.

- (5) No payment will be made until the work is completed to the satisfaction of the President.
- (6) In case of default, bad work, or delay, the President will have the power of getting the work completed satisfactorily by other agency and any excess expenditure will be recovered from the defaulting contractor.
- (7) In the case of successful tenderer also getting the sole right of removal of the remaining stones and earth from the old Fort wall sections 1-24 and 31-42 he will be bound not to remove earth or stone for other purposes except for filling up the moat until this is completed.
- (8) The Municipality reserves the right of removing earth from any sections free if required for departmentally executed work, or on payment of one pie per cart-load, if required for any Municipal work done by contract agency.

K. P. PUTTANNA CHETTY,  
Honorary President.
